

## Position Announcement

The Oklahoma Municipal Utility Services Authority (OMUSA) is seeking the right candidate for its Director of Business Development (DBD) position. This individual is responsible for the development and implementation of new programs that address industry best practices for the safe and effective operations of municipal water, wastewater, solid waste and other municipal enterprise operations in Oklahoma. The DBD reports to the general manager. Extensive daily and overnight travel within Oklahoma is required. The best candidate will have a 2- or 4-year college degree with seven to ten years of experience working with or in a municipal utility. Utility experience must include documented experience leading operational or performance improvement efforts within the organization. OMUSA is an equal opportunity employer. Pay is commensurate with experience, with a beginning range of \$24.00 to \$27.00 per hour. Benefits include comprehensive medical and dental coverage, participation in a matching defined contribution retirement plan, and a company vehicle. Qualified individuals should submit a comprehensive resume documenting the work performance that has prepared them for this position to [tom@meso.org](mailto:tom@meso.org). The selected candidate will be extended an offer of employment subject to pre-employment drug screening and background check.
